15 OCT 1980

MEMORANDUM FOR: Chief, Policy and Plans Group

FROM: [REDACTED]
Deputy Director of Security (PTOS)

SUBJECT: Entries for the DDA Log
9 - 15 October 1980 (U)

1. A report relating to the security modifications which will be required for Agency-leased space at [REDACTED] was forwarded to the Chief, Real Estate and Construction Division, Office of Logistics. The space in question, consisting of approximately 5,000 square feet, is intended for use by the Privacy and Litigation Group, IMS, DDO. Upon completion of the modifications, the office space will meet the criteria for open shelf storage of SECRET collateral and closed storage of TOP SECRET and codeword material. (S) (C)

2. One officer of the Overseas Security Support Branch attended a meeting of the COMSAFE project. This is a project concerning itself with the encapsulation of safe combinations to be given to the Marines overseas. (C)

3. An Overseas Security Support Branch officer currently on TDY in [REDACTED] has been tasked to return to [REDACTED] to assist in the investigation of a serious security violation. This concerns a Marine Security Guard who found an exposed combination and by utilizing this obtained other combinations. The MSG then proceeded to open a number of vault doors and safes in the Embassy. (S)

4. Members of the Safety Group conducted fire drills at the following buildings: Ames, Chamber of Commerce, [REDACTED] Printing & Photography, [REDACTED] (U)

5. On 8 October, two representatives of the Information Systems Security Group briefed [REDACTED] on computer information security per the request of DDO/EUR Division. The briefing was 1 hour long and included a good exchange of information. (U/ATIUO)
